CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Jennifer is a category B provider who has been a registered childcare provider for 31 years. Her current hours are 7:30AM to 4:30PM, Monday thru Friday. She takes children of all ages. She participates in the food program and accepts childcare assistance payment. Jennifer provides care in the basement of her ranch style home. Jennifer reports that she has been gradually downsizing the size of her childcare and does not wish to take any new children.

2. Identify Observed Strengths Of The Program

Jennifer has an extensive amount of experience. She is well organized and able to multi-task. There were a variety of toys needed in order for her to care for the children. She reports that her childcare operation is family friendly, and she believes in learn through play. She reports they do some academic activities but also has a list of organized activities they do such as music, arts and crafts. She reports that she actively plays with the children and parents are welcome to stop by at any time. She discussed that there is a time every year that the children help plan and cook lunch for the parents.

3. Identify The Aspects That Fall Below The Standard

110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.

Several children need updated documents in their files.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA

5. Special Notes/recommendations

2026 Target Compliance of Emergency Preparedness Plan was complete and in line with current operations.

HHS Child Development
Home Compliance Worker: Dave Jaehrling Date: 9/22/2026

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.
