CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Margret Head applied to be a category "A" Child Development Home Provider. This is the pre-inspection for Margret to get her home approved for childcare. This category allows the provider to have 6 preschool children with an additional 2 school aged children in care at one time. At this time Margret will be available for care Tuesday and Thursday from 8:30am to 4pm. There are no pets in the Child Development Home. Margret does not provide transportation at this time for families in her care.

2. Identify Observed Strengths Of The Program

Margret has completed her required trainings as reviewed by the Registration Unit. Margret has completed Safe Sleep training; this worker reviewed the policy with her and gave her an informational flyer. Margret will implement the practice when she has children 12 months or younger in her care. Margret uses redirection as her primary behavioral intervention when needed. Corporal punishment is not practiced in the Child Development Home. Children in Margret's care will receive regular meals and snacks as appropriate. The home has dedicated spaces which are furnished with children's furniture, toys, books, and cribs. There are toys and objects which encourage children to develop large and small motor skills. The providers follow a structured routine which children can predict their environment and activities. The children have group activities, free-play, and access to media depending on the age of children in care. There is a large backyard the children have access to when the weather allows.

3. Identify The Aspects That Fall Below The Standard

None. This was the pre-inspection visit to become a category "A" Child Development Home Provider. Margret met the expectations of the physical inspection. Margret emailed a copy of the completed Emergency Preparedness Plan on 9/28/2026.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.

5. Special Notes/recommendations

I encourage you to work with your Child Resource and Referral Worker (Heather Sheesley 515-360-7308) with any compliance or training efforts.
