Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 10/09/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)“ b” (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa’s Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years’ training requirements, not including first-aid and mandatory reporter training

Findings:

441 IAC 110.9(1)“b” (1) I-PoWeR records or certificates verifying required training completion:
Iowa’s Mandatory Child Abuse Reporter Training Certificate of completion need to be available in the Provider file or electronically.
First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

Suggestions/Recommendations:

1. Provider needs to have a current Certificate of Completion for Mandatory Reporting Training in the Provider File or available electronically.

2. Your CPR Training Certificate expires in October of 2023. I have emailed your Child Care Resource and Referral Worker to assist you with renewing this training . CCR&R has funding to assist you with paying the training fee for the class.

Corrective Action Required:

A re-check is not needed at this time. The above correction needs to be completed by 12/10/2023 and will be reviewed on your next annual compliance check.

I encourage to work with your Child Care Resource and Referral Worker (Bri Powell cell (515) 360-7353) to assist you with the above corrections and any other training or compliance efforts.

As identified above CCR&R has funding for the CPR Training.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaringd@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
