I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Grand View Child Development has been in operation since February 2009. This center is located within a single standing building that has a secured parent entrance. The center provides child care services to children ranging from infancy through school age. Sara Isaacson is the director. She has been in this position since August 2017. Sara was the on site supervisor for several years prior to being the director. Sara has an AA degree in Early Childhood Education. Veronica Flores is the on site supervisor. Veronica has been in this position since May 2020. Veronica has been employed at the daycare center since 2016.

An unannounced visit was completed today. All areas subject to HHS licensing rules were reviewed. Mandatory postings are in place at the center's entrance. Schedules are posted in classrooms. Older children's classrooms had lesson plans available. Classrooms are well furnished with age appropriate furnishings, supplies and toys.

Sara was present and assisted with today's visit. The Caterpillars (infants) had one infant present. There was one staff working in this class. The Butterflies (1's) had four children present. There was one staff working in this class. The Bumblebees (2's) had two children in attendance. There was one staff working with this classroom. The Fireflies (3/4's) had five children present. Two staff were working with this class. The Dragonflies (4/5's) had eight children in attendance. Two staff were working in this classroom. The Grasshoppers (school age) didn't have any children present during the visit. Children were observed during staff assisted activities, child directed play, snack time and during transition times. Staff were actively engaged in all children's activities. Staff were sitting on the floors in the younger children's rooms. Interactions between the staff and children were observed to be positive.

The center serves breakfast, morning snack, lunch and afternoon snack. The center doesn't participate in CACFP. Menus were reviewed. Snack served today was cottage cheese, granola bar and water.

The center has a fenced playground. There are a couple climbing structures. Surfacing material is rubber mulch. There is concrete areas for riding toys. The center has completed monthly playground checks.

The center owns a fifteen passenger van.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

Sara Isaacson has been employed at this center for many years. The center has security cameras in all classrooms and on the playground. The center uses ProCare for administrative record, billing and communicating with parents. This center participates in the Women's Empowerment Program. The center benefits from being a participant in the program through regular center visits from VNS and from the United Way staff as well as financial support. The center has well furnished classrooms that have a nice amount of supplies and furnishings for the amount of children being served. The center is participating in IQ4K.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

109.6(6)c: Center repeats Iowa record checks at a minimum of every two years or when aware of additional child abuse or criminal history that occurs.
One staff needed a background check completed in December 2023. Sara completed this today.

109.10(1)a: Preschool (for children five years and younger not enrolled in school): Physical exam report submitted within 30 days of admission, was obtained no more than 12 months prior to admission, is signed by a licensed MD, DO, PA, Chiropractor or ARNP, and contains health history; present health status including allergies, medications, and acute/chronic conditions; and recommendations for continued care if necessary.
One file had an overdue physical.

V. SPECIAL NOTES/RECOMMENDATIONS:

The center has a full license.
