1. Basic Overview

Beatrice Bayubahe had been a registered childcare provider since April of 2019. Beatrice is currently a category "A" Child Development Home Provider. This category allows the provider to have 6 preschool children with an additional 2 school aged children in care at one time. There are no pets in the Child Development Home. Beatrice is able to provide transportation for families in her care Beatrice is available for childcare 24 hours a day 7 days a week.

2. Identify Observed Strengths Of The Program

Beatrice's home is appropriate for childcare. Beatrice has completed her required trainings as reviewed by the Registration Unit. Beatrice has completed Safe Sleep training; this worker reviewed the policy with her and the translator. Beatrice will

implement the practice when she has children 12 months or younger in her care. Beatrice uses processing behavior choices and redirection as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Beatrice's care will receive regular meals and snacks as appropriate. There is an outside space the children in care can access when the weather allows.

3. Identify The Aspects That Fall Below The Standard

Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.

1. Smoke detectors need to be tested monthly and documented. During the compliance check there was detector beeping indicating the battery needs to be changed.

2. Fire and tornado drills need to be done each month and documented.

3. 1. The Emergency Preparedness Plan needs to be updated and easily accessible. A referral to your Child Care Resource and Referral Woker to assist you with completing these corrections.
Have procedures in place for the following:
• Evacuation to safely leave the facility
• Relocation to a common, safe location after evacuation
• Shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
• Lock down protocol to protect children and providers from an external situation
• Communication plan and plans for reunification with families
• Plans for the continuity of operations
• Procedures to address the needs of individual children, including those with functional or access needs

4. Each child in care needs to have an individual file containing specific demographic, medical, consent, and release information. A referral to your CCR&R Worker has been made.
