CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Tammy Wahlert has been a registered childcare development home for over six years. She has a registered assistant who helps when her when it is needed. The provider follows the food program guidelines and requirements as a participant in CACFP. She provides breakfast, lunch and afternoon snack daily.

2. Identify Observed Strengths Of The Program

The provider has age appropriate toys and activities for the children. The outdoor play area has many stations where the children can play and run around. While compliance staff visited the childcare development home, the children were outside with nets and plastic containers to catch bugs. The provider does have a tv, but reports she rarely has it on during the day. The provider challenges the children to find ways to be active without electronics.

Compliance staff observed the provider speaking kindly with the children and offering ample attention to all of the children during the visit. The provider used redirection with the children when there was an issue and the children rapidly moved on from the situation.
