

10/02/2017

Cynthia Rivera
523 Mineral Point LN
Iowa City, IA 52246

Dear Child Care Provider:

This letter is in regards to the pre-inspection visit at your Registered Child Development Home A conducted on 09/27/2017. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

- 441 IAC 110.8(1)“ e” Annual laboratory analysis of a private water supply shall be conducted to show satisfactory bacteriological quality. When children under the age of two are to be cared for, the analysis shall include a nitrate analysis. When private water supplies are determined unsuitable for drinking, commercially bottled water or water treated through a process approved by the health department or designee shall be provided.
- 441 IAC 110.8(1)“ j” Homes served by a private sewage disposal system shall be operated and maintained to ensure the system is properly treating the waste water and not creating an unsanitary condition in the environment.
- 441 IAC 110.8(1)“ n” Providers shall inform parents of the presence of any pet in the home.
1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).
 2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.
 3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.
 4. All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.
 5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(3)

Medications and Hazardous Materials

441 IAC 110.8(3)“b”

A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.8(4)

Emergency Plans

441 IAC 110.8(4)

Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) “b”

The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9

Files

441 IAC 110.9(1)

A provider file is maintained and shall contain the following:

441 IAC 110.9(1)“ a”

A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Findings:

No annual laboratory analysis showing satisfactory bacteriological quality.

No verification that private sewer system is in compliance with discharge restrictions. This is done by local board of health.

No Pet Health Examination Veterinary Health Certificate for dog.

No First Aid kit containing adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

No emergency and disaster plans for fire and tornado; written and posted by primary and secondary exits including evacuation routes for fire, safe place for tornado, and flood shelter area.

No safety plan

No Child Care Provider Physical Exam Reports for Cynthia, Breanna, Alessa, and Elder

Suggestions/Recommendations:

Complete above findings and contact me at 319/892-6802 within 15 days. Also contact me if you have any questions.

Corrective Action Required:

Complete the out of compliance items and contact me in 15 days and I will schedule another visit to conduct a recheck.

Kelly K. Garcia
Director

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319/892-6802 if you have any questions regarding this letter.

Sincerely,

Annette Wieneke

Social Worker II

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 877-216-8481

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you can access the approved training by going to http://www.dhs.state.ia.us/Consumers/Child_Care/Professional_Development.html

You may also access training at: <https://ccmis.dhs.state.ia.us/trainingregistry/>

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
