You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)"n"	Providers shall inform parents of the presence of any pet in the home. **1.** Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice). **2.** Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds. **3.** Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank. **4.** All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste. **5.** No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

Suggestions/Recommendations:

A recheck is not needed at this time as a recheck was conducted on 1/5/2024. The above corrections need to be completed unless otherwise noted below by 3/22/2024 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Compliance and Referral Worker (Bri Powell 515-360-7353) with any training or compliance efforts.

Corrective Action Required:

1. Your Child Development Home needs to be in compliance at all times with 441 IAC 110.8 Standards. Conditions in the home are safe, sanitary, and free of hazards. Failure to maintain this environment could result in your registration being revoked.

2. No combustible items can be near your furnace, stove, water heater, and gas dryer. You corrected this on 1/4/2024 and it needs to be maintained at all times.

3. Each pet in the Child Development Home needs to have a DHHS Pet Vet Form completed each year by a qualified Vet.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at jaringd@dhs.state.ia.us/515-601-9469 if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
