CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Debra Nau is a CDH Category B provider, living in West Des Moines. She has been a registered daycare provider since 2010. Debra lives in a 2 story house but only uses the main floor for her child care operation.

2. Identify Observed Strengths Of The Program

Debra Nau was organized for our compliance check. At the time of my visit Debra had 8 children present, ranging in ages 11 months to 4 years old.
She was able to locate trainings for me and provide care to the daycare children. Debra uses redirection for discipline. Debra is open Monday-Friday from 7am to 5:00pm. Debra said the daycare children play with toys, play outside, sing, dance, do arts and crafts and each have a journal they do activities in. We reviewed all safe sleep regulations. Debra has a pack and plays for her infants. Debra has a large fenced in backyard for children to play in.

3. Identify The Aspects That Fall Below The Standard
