labeled cubbies. Audrey's paperwork has improved greatly since this worker first started meeting with her.

3. Identify The Aspects That Fall Below The Standard

110.7 (2) e : The provider maintains a written record of the number of hours substitute care is provided, including the date and the name of the substitute.
Audrey has used a substitute two times this year for approximately two hours each time and did not maintain written documentation. Audrey will document all times substitutes are providing care.

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
Audrey's cats Smokey and Oreo both need updated pet records on required HHS form. Audrey's son's dog was present for a brief time during our visit. Audrey will get pet record in place for son's dog in the event the dog would ever visit again.

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Audrey needs updated physical documented on required HHS form.

Substitutes: 110.9 (3) b : Within six months of approval, a Physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, which is repeated at least every three years.
Jackie needs updated physical on required HHS form.

110.9 (3) d : Certification in infant and child first-aid that includes mouth-to-mouth resuscitation.If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.
Laura needs to update her CPR/1st Aid as it has expired.

110.9(4) : An individual file is maintained for each child and updated annually or when there are changes.
Audrey needs to ensure that all children have updated enrollment forms (fully signed and dated within the last year) and current physicals and immunization certificates. A few of the files reviewed were missing these items.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Audrey needs to send verification of the above items to Kathy by 10/27/2025. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

Child files do not need to be sent, but need to be updated. They will be reviewed at next year's compliance visit.

5. Special Notes/recommendations

Audrey has ideas for improvements to her child development home including some new toys for the kids, some alternative storage options, and a new printer.
