CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Candy started providing child care in 2019. Candy is a registered category A child development home. Candy accepts children aged one year old through school agers. Candy would consider all three shifts of care and is available Mondays through Fridays. Candy does not provide weekend care. Candy has a primarily play based environment for children in her care. Candy works with the children on colors and shapes and other kindergarten readiness skills.

2. Identify Observed Strengths Of The Program

Candy believes her greatest strength in working with children is that she is just 'good with kids'. Candy states she is willing to work with parents as long as parents maintain an open communication with her. Candy is flexible and understands the needs of parents and as such, wants to assist them when she can with their children. Candy keeps her required child care paperwork in a binder making it easy to locate required documents and forms. Candy provides care in the basement of her home primarily and has a large variety of toys for all ages and stages of development. Candy has child sized furniture available including tables and chairs and shelving for toys.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Candy has a new dog in her home. Candy needs pet record documented on required form 470-5153, Pet Health Examination Veterinary Health Certificate.
Candy had one child who was needing an updated physical and immunization record. Candy will ensure all enrolled children have current physicals and immunization forms.
Candy could not locate her updated Mandatory Child Abuse Reporter certificate. Candy will locate and print or be able to pull up the training online for verification purposes.

Candy will send verification of the above items to Kathy by 12/4/2026. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.
