CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Jchemela has been a registered child care provider since 2012. Jchemela took a short break from child care from 2021-2023 and then returned as a registered child care provider. Jchemela returned to child care to care for her grandchildren. At this time, she only desires to watch her grandchildren, although may consider additional children sometime in the future.

2. Identify Observed Strengths Of The Program

Jchemela's home is appropriately maintained and offers children a safe place to be. Jchemela reports her greatest strength is the ability to ignore the crying and fussing of children so she can get to the root of the problem quicker. This worker observed Jchemela with two grandchildren and her own older teenage children. Jchemela engaged with the children appropriately during the visit. Jchemela's commitment to children and her family specifically is noted as she returned to child care to ensure her grandchildren had a safe place to be.

3. Identify The Aspects That Fall Below The Standard

Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
Jchemela could not locate her 2024 drill written documentation, but is certain she has it in her paperwork somewhere.
110.9 (2) c : Certification of two hours of approved training relating to identification and reporting of child abuse within six months of employment.
Jchemela could not locate her assistant Amaya's completed Mandatory Child Abuse Reporter training completion.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Jchemela will send verification of the above items to Kathy by 9/1/2025. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

5. Special Notes/recommendations

Jchemela's son has moved back into her home temporarily. He is seeking a new residence, however, Jchemela needs to contact the CCA Unit at 866-448-4605 to report him as a household member again. He has previously been approved to reside in the home. Jchemela stated that she would call immediately.

HHS Child Development
Home Compliance Worker: Kathy Huinker Date: 7/16/2025

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.
