Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 01/30/2025. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 1 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(3)	**Medications and Hazardous Materials**
441 IAC 110.8(3)"a"	All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

Findings:

1.110.8(3)a The provider does not have child-proof locks under her kitchen and bathroom sinks, where some toxic chemicals are stored.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 2/1/25 and will be reviewed at the next annual compliance check.

I encourage you to work with Tabitha Copeland from Child Care Resource and Referral with any ongoing compliance or training needs.

Tabitha can be reached at: 563-362-8228

Corrective Action Required:

1. The provider needs to assure that all toxic or unsafe materials are secured from access by a child. (The provider sent text photos on 1/30/25 and 1/31/25 showing this to be complete. The provider installed child-proof locks under both the bathroom sink and the kitchen sink.)

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-800-4702 or holly.bailey@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Holly Bailey
