CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Kelsie and her sister, Kara, are C2 providers in Morning Sun, Iowa. Kelsie and her husband rent the home for the sole purpose of childcare, they do not reside in the home. Kelsie and Kara accept children 3 months to 10 years of age. Kelsie's work hours are 6:45am to 5:15pm Monday through Thursday and 6:45am to 3:30pm on Fridays. Kelsie's mom and younger brother also are involved in the daycare as assistants, and her mom is also a substitute.

2. Identify Observed Strengths Of The Program

Kelsie was the only provider at the daycare home at the time of the compliance visit. Kelsie was caring for 7 children, all of whom were napping except one infant. Kelsie said that the infant took a longer morning nap and would not take an afternoon nap until later. Kelsie entertained the infant with age-appropriate toys while we completed the compliance visit. Kelsie has an outdoor play area with climbing and riding toys and inside, Kelsie has toys and activities for all ages of children.

3. Identify The Aspects That Fall Below The Standard

Kelsie's child development home was found to be in compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

N/A
