CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Felicia Sunh is a CDH Category A provider, living in Windsor Heights. She has been a registered daycare provider since 2020. Felicia lives in a ranch style house and uses her whole house for her child care operation. Felicia provides care to children of all ages.

2. Identify Observed Strengths Of The Program

I observed Felicia be loving and caring towards daycare children while interacting with me. Felicia has toys, books and play outside. Felicia has a large fenced in backyard. Felicia speaks Krahn and English. She stated she makes African food for the daycare children. Felicia uses redirection for discipline.

3. Identify The Aspects That Fall Below The Standard

Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Please write out each child's contact information. A person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
2. Fire and tornado drills need practiced monthly. Record of these drills need kept for inspection purposes.
3. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records.
4. You were unable to locate your CPR training. CCR&R can assist in locating trainings, if you need help.

5. Special Notes/recommendations

I encourage you to continue working with Heather Sheesley from Child Care Resource and Referral for any ongoing compliance or training needs. Heather: Work Cell: 515-360-7308

Emergency preparedness plan met targeted expectations.
