CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Stacy Williams is a CDH Category B provider, living in Des Moines. She has been a registered daycare provider since 2009. Stacy lives in a 2 story house but only uses the basement area for her child care operation. Her basement has an egress window and steps leading to it.

2. Identify Observed Strengths Of The Program

Stacy Williams was organized for our compliance check. Six children were present during my compliance visit, ranging in age 1 year old to 5 years old. She was able to locate trainings for me and provide care all of the daycare children. Stacy participates in the food program. Stacy said she runs a preschool program. They also do free play, read books, arts and craft and play outside. Stacy has a large fenced in backyard with a large playset. Stacy has 2 dogs, that don't go into the daycare area. Both dogs have up to date vet statements. We reviewed all safe sleep regulations. Stacy currenlty has no children under the age of 1 year old enrolled, but has cribs if needed.

3. Identify The Aspects That Fall Below The Standard
