Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 12/05/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)"a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

1305 E. Walnut Street, Des Moines, IA 50319-0114

Findings:

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:
evacuation to safely leave the facility
relocation to a common, safe location after the evacuation
shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
lock down protocol to protect children and providers from an external situation
communication plan and plans for reunification with families
continuity of operations plans
Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Suggestions/Recommendations:

1. Your smoke detectors were beeping when I was there. If changing the battery does not stop the beeping the smoke detectors need to be replaced.

2. An Emergency Preparedness Plan needs to be readily available. I will email Traci, your Child Care Resource and Referral Worker, to see if she has a copy of it.

3. Willie needs to get a DHHS Medical Physical Form completed by a medical professional. I left a blank form for him to take to the doctor's office.

Corrective Action Required:

A re-check is not necessary at this time. The above corrections need to be completed by 2/12/2023 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Traci Honold 515-802-8163) to address the above corrections and with any other compliance or training efforts.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaringd@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
