Please do not hesitate to access the free and voluntary consulting services offered by CCR&R to assist with any compliance related needs or questions.

You stated you are in the process of adding Jeana and Amanda as sub/assistants. Please contact the registration unit to do this. Each provider will need to have a background check ran, an updated physical and complete the required trainings. CCR&R can assist in adding them.

All other corrections must be completed by 3/1/2025. No recheck is planned at this time. All corrections will be verified at the time of the next compliance visit.

Corrective Action Required:

1. Please obtain updated physicals for all household members. Household members over the age of 18 years, physicals need completed on state required forms and updated every 3 years.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-339-8262 ellen.abbott@hhs.iowa.gov if you have any questions regarding this letter.
