Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 11/02/2020. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

**441 IAC 110.8(1) Facility Requirements**

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

**441 IAC 110.8(3) Medications and Hazardous Materials**

441 IAC 110.8(3)“b” A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.9 Files

**441 IAC 110.9(1) A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Findings:

You did not have record of monthly testing of all your smoke detectors.

You did not have disposable plastic gloves in your first aid kit.

You did not have documentation of current physical examinations for all household members.

Suggestions for Improvement:

Please test all your smoke detectors monthly and document.

Please obtain disposable plastic gloves for your first aid kit.

Please provide documentation of current physical examinations for all household members.

Recommendation:

[ ] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will not be required to have a recheck or follow up visit to your home.

Please do not hesitate to contact me at DHS at 712-749-2536, ext. 106 if you have any questions regarding this letter.

Sincerely,

Dave Jaehrling
