1. Basic Overview

Toriann Erickson has been a registered provider since October of 2023. Toriann is currently a category "A" Child Development Home Provider. This category allows Toriann to have 6 preschool children with an additional 2 school aged children for a total of 8 children in care at one time. There are 3 pet cats in the home. Care is provided mainly in the basement of the home.

2. Identify Observed Strengths Of The Program

Toriann is an experienced childcare provider. Toriann has experience working in a childcare center. The downstairs of the home has a large room dedicated to childcare. There are educational posters on the walls. The room is equipped with toys,

books, art supplies, and children's furniture for the children to explore when in the care of Toriann. Toriann follows a routine depending on the age of children in care. The basement has an egress window. There is an outdoor space the children can access when the weather allows. Toriann has completed Safe Sleep training and this worker has reviewed Safe Sleep policy with Toriann. Toriann will implement the practice when she has a child 12 months or younger in her care. Toriann uses redirection and processing choices as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Toriann's care receive regular meals and snacks as appropriate. Toriann's provider file and individual child files are completed, organized, and easily accessible.

3. Identify The Aspects That Fall Below The Standard

110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.

1. The Emergency Preparedness Plan needs to be updated an easily accessible.

Have procedures in place for the following:
• Evacuation to safely leave the facility
• Relocation to a common, safe location after evacuation
• Shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
• Lock down protocol to protect children and providers from an external situation
• Communication plan and plans for reunification with families
• Plans for the continuity of operations
• Procedures to address the needs of individual children, including those with functional or access needs

Your Child Care Resource and Referral Worker can assist with completing the form if needed.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.
