CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance check with Registered Child Development Home Category B provider Kaye Wilson on 7/28/2025. Kaye had 6 children in care during the time of my visit. She also has an exception to policy for 2 extra children during the coming school year per changing school district schedules on Wednesdays. Kaye uses her main floor only, the home has only crawl spaces. Kaye has been active as a provider with the State since 9/2017. She has 2 HHS-approved substitute/assistants active on her registration.

2. Identify Observed Strengths Of The Program

Kaye has a great designated child care space in a back addition room where a lot of the children's activities take place. The children were working intently on a coloring project when I arrived. Kaye conducts a school style curriculum year-round with the children. Activities can vary depending on current ages of children. Kaye was very organized with her files, postings, and trainings. She is prepared to renew her certificate in 8/2025.

3. Identify The Aspects That Fall Below The Standard

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

5. Special Notes/recommendations

I encourage Kaye to work with Kathy Lloyd from Child Care Resource and Referral with any ongoing compliance or training needs.
Kathy can be reached at: (319) 231-9405

Though Kaye currently has no infants under 12 months of age, safe infant sleeping policies and rules were reviewed.
