Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 05/29/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"i" Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported.
Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home's hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children.
All signs shall include:

1. The telephone number for reporting complaints, and
2. The Internet address of the department of public health (www.iowasmokefreeair.gov)

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)"a" All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

Findings:

1. 110.8(1)i The provider does not have a No Smoking sign in her vehicle that she uses to transport children.

2. 110.8(3)a The provider stores medication in a drawer in the living room, which is accessible to children.

1305 E. Walnut Street, Des Moines, IA 50319-0114

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 7/1/24 and will be reviewed at the next annual compliance check.

I encourage you to work with Tabitha Copeland from Child Care Resource and Referral with any ongoing compliance or training needs.

Tabitha can be reached at: 563-362-8228

Corrective Action Required:

1. The provider needs to have a No Smoking sign in her vehicle that she uses to transport children.

2. The provider needs to move all medication and any other toxic items to an area that is inaccessible to children.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-800-4702 or hbailey@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,
