II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

This worker arrived at ALL SAINTS CATHOLIC SCHOOL BEFORE & AFTER CARE - 25306 on 12/3/2024 for an annual visit. The fire inspection was completed on 11/30/2022. The center is nonprofit and overseen by a board of directors. The center serves preschool-school aged children. The center is open during the school year only. The hours of operation are: Before care: Offered everyday school is in session from 6:30am to 7:15am. After care: Offered on school days from 2:30pm to 5:30pm. No aftercare will be provided on the 2 hour early out date before a holiday. There is no After Care on snow days or during holiday breaks. If school is dismissed early due to inclement weather, parents should try to pick up their children as soon as possible due to the likelihood of unsafe travel conditions. Their current enrollment is 127.

The director is Mary Morrison. Mary has a Master's Degree in Elementary Education. She started with the center in 2015.

This worker observed all programming space in the center and outdoor area to ensure that the environment was safe, sanitary and hazard free. The center is located in All Saints Catholic School. The center uses two classrooms, the café and large skills area.

Health and safety practices were also reviewed including handwashing, medication management, appropriate cleaning/sanitizing/disinfecting, excluding ill children/staff, incident reports, and first aid kits.

Nutritional practices and food safety were observed. The center provides afternoon snack.

This worker reviewed required postings. This worker checked staff files and child files. The licensing notebook including emergency drills, first aid supplies, playground checklist, radon testing, HVAC testing and policies were reviewed. The center does communicate with parents via: phone calls, emails, and/or notes.

The center’s curriculum is teacher created with a blend of: Creative Curriculum, Everyday Math, and Wonders.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

-The center classrooms are clean and nicely organized.
-The center uses email and notes to communicate with parents.
-The centers before and after school program offers the following in their curriculum: language, literacy and numbers/arts and culture/health and wellness/media and technology/science, technology, engineering and math/social, emotional development, character education/environmental learning/service learning.
-The center uses Creative Curriculum, Everyday Math, and Wonders.
-Child files, staff files and the licensing notebook were in full compliance.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

The center was in full compliance on the date of my visit.

V. SPECIAL NOTES/RECOMMENDATIONS:

Based upon this review, it is recommended that this center remain in Full licensing status. It is important to note, all DHS licensing standards and procedures must be maintained during the renewal period. As a director, on-site supervisor, or child care staff it is vital that you know and understand all licensing standards and procedures. The licensing regulation checklist can be found by visiting: https://iowaccrr.org/resources/files/BGP/71%20Licensing_Chklist_3940.pdf

This worker will conduct at least one unannounced visit each year. This worker encourages you to establish a working relationship with your local Child Care Resource Consultant (CCR&R) and your local Child Care Nurse Consultant (CCNC).

Child Care Resource & Referral (CCR&R) provides professional development and consultation services that support the child care business's ability to achieve and maintain regulatory status in good standing and work to achieve and maintain performance at higher quality levels in Iowa's Quality Rating and Improvement. To find your center's CCR&R consultant visit: https://iowaccrr.org/staff/region_5/

Healthy Child Care Iowa is a statewide publicly funded program to improve the health and safety of children while they are enrolled in child care and early education settings. Child care nurse consultants are registered nurses who provide consultation, training, and technical assistance on health and safety policies, health programs, health of personnel, and specific child health or safety issues.
