CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category C-1 provider Kelli Archibald on 5/14/2026. Kelli has been involved with child care for 30 years. She continues to use the main floor of her ranch style home for meals, and the basement as her primary space. The basement has an egress window and step system to serve as a second exit. Her basement has a large open space that is designated for child care only, and a couple bedrooms that can are utilized for napping. Kelli had 6 children present during our visit and cares for 8 total. She has a fenced back yard for her outside play area. Kelli has 1 dog and has a current vet statement on file. She is due to renew her registration effective 6/30/2027.

2. Identify Observed Strengths Of The Program

Kelli has many years of experience in child care. She describes her strengths as being very organized, having lots of patience with the kids/families, and her consistency with the children. I observed good multitasking skills during my visit. Kelli describes her curriculum as lots of free play mixed with traditional activities including coloring, music, playdough, and arts. She works to regularly change-up activities if she sees kids losing interest in them. Kelli stresses lots of outside time as weather allows. Her outside time includes lots of games and use of a water table during the summer.

3. Identify The Aspects That Fall Below The Standard

Kelli was in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Kelli was in compliance having a plan consistent with her current operation.

I encourage Kelli to work with Christa Jergens from Child Care Resource and Referral with any ongoing compliance or training needs.
Christa can be reached at: (515) 201-7203

Kelli currently has no infants under 12 months of age in care. She has pack-n-plays for napping, and we reviewed safe infant sleeping policies.
