Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 12/09/2022. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(3) An individual file is maintained for each substitute and contains:

1. Documentation from the department confirming the record checks required under 441 IAC 110.9(1) “a” have been completed and authorizing or conditionally limiting the person’s involvement with child care.
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
4. Certification in infant and child first aid
5. Certification or other documentation that minimum health and safety training has been completed within 3 months or prior to providing substitute care, whichever occurs first.

Findings:

Per our 12/9/2022 spot check visit, the following corrections need to be made as described in the policy sections above:

1. You need to obtain a current physician signed statement of health for substitutes Nancy and Hannah to have on file. These need to be completed using the State form you have a copy of and need to be renewed every 3 years.

2. You need to obtain a copy of current certification in the Mandatory Reporter training to have on file for substitute Hannah.

Suggestions/Recommendations:

I encourage you to continue working with Katie Kytola from Child Care Resource and Referral with any ongoing compliance or training needs.
Katie can be reached at: (515) 631-2913

Corrective Action Required:

The above corrections need to be in place by 2/9/2023. No re-check is planned at your home. I will review these corrections during our next visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (515)291-0008 if you have any questions regarding this letter.

Sincerely,
