CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Brittany Parker on 9/10/2025. Brittany has been involved in child care for 15 years and had 7 children present during the time of our visit. Brittany continues using the main floor only of her ranch style home. She just had an egress window installed to her basement, and we reviewed what would be necessary if she wants to begin using the basement level in the future. Brittany has an open floor plan with a clutter-free environment. She has a fenced back yard for her outdoor play area. Brittany has one HHS-approved substitute/assistant. She is due to renew her registration in August of 2026.

2. Identify Observed Strengths Of The Program

Brittany stays within her number limits and has an assistant to help during days without school. She was using basic sign language during several of her conversations with the children. Brittany displayed good rapport with the children. She has a younger group of children, all of them very busy. Brittany offers regular outside play, coloring, music/dancing, and puzzles as appropriate with age. She is currently using lots of free play in her curriculum. Brittany showed good multitasking skills to meet the needs of the children during the interruption of my visit.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.

- The vet statement for one of Brittany's two dogs recently expired and needs to be renewed. This must be completed by 11/21/2025 using the State form she has a copy of and will be reviewed during her next visit. No re-check is required at Brittany's operation.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

I encourage Brittany to work with Shelby Hagemann from Child Care Resource and Referral with any ongoing compliance or training needs.
Shelby can be reached at: (319) 433-7760

Brittany currently has no infants under 12 months of age. We reviewed safe infant sleeping policies for future reference.
