1. Basic Overview

Florence Ntiruvakure is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2025. Florence Ntiruvakure lives in a ranch style house and uses the whole house for her child care operation. Florence Ntiruvakure recently got water in her basement and is currently not using that space.

2. Identify Observed Strengths Of The Program

No children were present during my visit with Florence Ntiruvakure. She is currently providing care for 4 children on Thursdays, Fridays and Saturdays from 6am to 7pm. The children range in ages 12 years old to 11 months. Florence offers 24 hour care but is not currently watching anyone overnight. Florence speaks English and Kirundi. She said the daycare

children like to sing, dance, play at the park and play with toys. Florence said she tells daycare children to calm down for discipline. We reviewed all safe sleep regulations. Florence has a pack and play for infants.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector has been installed according to manufacturer's recommendations.
Each smoke detector is tested monthly, and a record is kept for inspection purposes.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. You were unable to locate your mandatory reporter training and your CPR certficiate. CCR&R can help you locate them, if you need assistance.
2. You have a smoke detector beeping. Please replace the battery for this smoke detector.
3. Fire and tornado drills need practiced monthly. Record of these drills need to be kept for inspection purposes.
4. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

5. Special Notes/recommendations

I encourage you to continue working with Heather Sheesley from Child Care Resource and Referral for any ongoing compliance or training needs. Heather: Work Cell: 515-360-7308
