Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 05/30/2025. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(4)	**Emergency Plans**
441 IAC 110.8(4) “a”	Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

Findings:

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

Suggestions/Recommendations:

A recheck is not needed. The below correction needs to be completed each month and documented. Documentation will be check on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Traci Honold 515-802-8163) with any training or compliance efforts.

Corrective Action Required:

1. Tornado and Fire Drills need to be practiced each month and documented. I left a blank form for you to start using each month.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jake.aringdale@hhs.iowa.gov if you have any questions regarding this letter.
