CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Susie has been a registered childcare provider since February 2019. Susie is a category A provider and she has three assistants/substitutes, Adalberto, Mellanie and Destiny. Susie's childcare hours are 5:00am to 6:00pm, Monday through Friday. Susie provides care for children ages 6 weeks to 11 years. Susie participates in the food program and with IQ4K.

2. Identify Observed Strengths Of The Program

Susie was caring for six children at the time of the compliance visit. The older children were observed doing free play, including playing with some turtle stepping stones to learn balance. Susie has a plexiglass gate that blocks off a small area for younger children and infants to have a safe play space.

Susie says that she's comfortable caring for children with special needs, she currently has a child who is non-verbal. Susie says that she has very good and open communication with the parents and with AEA if they are involved. Susie says that they have daily "carpet time" where they read stories and the children love to do yoga, play with a parachute and play musical chairs. Susie also has dry erase books for the children to practice writing their letters and numbers.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

110.9 (3) b : Within six months of approval, a Physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, which is repeated at least every three years.

During the compliance visit Susie was unable to locate a current physical for her husband or her other substitutes.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Susie will keep up to date physicals for all assistant/substitutes. (Susie texted this worker photos of current physicals for Destiny (dated 9/30/26), herself (dated 9/28/26) and Adalberto (dated 9/30/26). Susie stated that she would send a photo of Mellanie's physical once she receives it.

5. Special Notes/recommendations

Targeted Compliance: Emergency Preparedness Plan

Susie's EPP was reviewed and is in compliance.
