Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 05/09/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) Facility Requirements

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(4) Emergency Plans

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(4) Children’s Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a. Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
- b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child’s regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c. A signed medical consent from the parent authorizing emergency treatment.
- d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 - 1. The date of the physical examination shall not be more than 12 months before the child’s first day of attendance at the child development home.
 - 2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when

necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

441 IAC 110.8(1)"h" The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

****The provider did not have documentation after Feb 2024 of drills and detector checks that have been completed.**

441 IAC 110.9(4) Children's Files

For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

****Compliance staff checked three files of children in care during the visit. Compliance found that two of the files had not had physical updates since 2022.**

Suggestions/Recommendations:

If you have any questions regarding this letter, please contact compliance staff.

Your CCR&R representative is Kelly Phelps. Her contact number is 515-802-7292.

Director

Corrective Action Required:

In regards to your monthly documentation for detector checks and drills, please start documenting your efforts in May 2024 and keep track of this monthly in your records.

In regards to the children's files, please work with the families of your childcare children to obtain the most recent physical that has been completed on the child. Also remember that if the child has received updated immunizations, that the family should also get you an updated copy of this as well.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-435-0576 or stacy.burris@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Stacy Burris

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 877-216-8481

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you can access the approved training by going to http://www.dhs.state.ia.us/Consumers/Child_Care/Professional_Development.html

You may also access training at: <https://ccmis.dhs.state.ia.us/trainingregistry/>

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
