

441 IAC 110.8(2) “a” A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

**441 IAC 110.8(3) Medications and Hazardous Materials**

441 IAC 110.8(3)“a” All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

441 IAC 110.8(3)“c” Medications shall be given only with the parent’s or doctor’s written authorization. Each prescribed medication shall be accompanied by a physician’s or pharmacist’s direction. Both nonprescription and prescription medications shall be in the original container with directions intact and labeled with the child’s name. All medications shall be stored properly and, when refrigeration is required, shall be stored in a separate, covered container so as to prevent contamination of food or other medications. All medications shall be stored so they are inaccessible to children. Any medication administered to a child shall be recorded, and the record shall indicate the name of the medication, the date and time of administration, and the amount given

441 IAC 110.9 Files

**441 IAC 110.9(1) A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

441 IAC 110.9(1)“b”(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care.

441 IAC 110.9(4) Children’s Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a. Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
- b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child’s regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c. A signed medical consent from the parent authorizing emergency treatment.
- d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
  1. The date of the physical examination shall not be more than 12 months before the child’s first day of attendance at the child development home.
  2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
  3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
  4. The examination report or statement of health status shall be on file before the child’s first day of care
- e. For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
- f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
- g. A signed and dated immunization certificate provided by the state department of public

health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

**h.** For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

**i.** Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

**j.** Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

**l.** If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

#### Findings:

Tracy needs to pick up open food containers, pop cans in basement and in both upstairs bedrooms to keep a clean sanitary childcare home.

Tracy needs to update her emergency contact sheet for her daycare children for her home and transport vehicle. This was completed during today's visit.

Tracy needs to show documentation of her current insurance for her transport vehicle.

Tracy needs to show documentation of a current physical for one dog.

Tracy needs to pick up minor trash and cigarette butts in her outdoor play area.

Tracy needs to check her medicine cabinet in her bathroom for any item labeled Keep Out of Reach of Children and place these items in a child locked or inaccessible area.

Tracy needs to show documentation of a current School-Aged Health Status form for Drake and Avery.

Tracy needs to show documentation of a current Background Check Approval Letter. One can be obtained from the Central Childcare Registration Unit if needed.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. Need physical for E.Q., B.G., A.G.

A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable. Need for B.G.

#### Suggestions for Improvement:

Recommendation:

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home either on or after 10/9/19.

[ ] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home.

Please do not hesitate to contact me at DHS at (319) 208-5521/creckli@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Chad Reckling
