CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Julie Willemsen is a CDH Category C1 provider, living in Grimes. She has been a registered daycare provider since 2015. Julie lives in a 2 story house but only uses the main floor for her child care operation.

2. Identify Observed Strengths Of The Program

Julie Willemsen was organized for our compliance check and able to care for all of the daycare children. Seven daycare children were present during my visit, ages 20 months to 4 year olds. Julie currently has no infants enrolled, but has pack and plays for infants. We reviewed all safe sleep regulations. Julie said she talks to the children and has them "say sorry" for discipline. Julie said the children play outside, do arts and crafts, read books and sing.

3. Identify The Aspects That Fall Below The Standard

Julie Willemsen was in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
