CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Augusta Gbigbi applied to be a category "A" Child Development Home Provider. This is a pre-inspection evaluation. Augusta does not have an assistant or substitute in the program Augusta can have 6 pre-school children in her care with an additional 2 school aged children for a total of 8 children at one time. There are no pets in the Child Development Home. There is not a swimming pool on the grounds and they have trampoline. It was advised the provider have consents signed from the families if the daycare children use the trampoline. Care is on the main floor of the home and gates are appropriately utilized.

2. Identify Observed Strengths Of The Program

Augusta is open to transporting children if necessary. There is an area in the backyard for the children to play outside when weather permits. The emergency plan has a specific address to evacuate to, if necessary, provider will ensure families know the evacuation plan. The provider has completed Safe Sleep Training and will implement the practice with children 12 months or younger. Augusta uses Time Out and redirection as behavioral interventions, corporal punishment is not practiced in the Child Development Home. Children in Gbigbi's care will receive regular meals and snacks as appropriate.

3. Identify The Aspects That Fall Below The Standard

This was a pre-inspection evaluation; provider met all expectations.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA
