1. Basic Overview

Sarah has been a registered childcare provider since March 2009. Sarah is also a licensed foster parent. Sarah has one assistant, Dawn Ball. Sarah's childcare hours are7:00am to 5:00pm, Monday through Friday. Sarah cares for children of all ages. Sarah's childcare area is the lower level of her home, which has a walk-out basement.

2. Identify Observed Strengths Of The Program

Sarah says that she is able to care for children with special needs. Sarah says that she has a lot of patience and knows her children and their families well. Sarah does follow a schedule but says that she personalizes her schedule to the group of children that is in attendance. Sarah says that the children love to do crafts, read books, sing songs and work on

manipulatives with supervision. Sarah has a lot of different toys for the children to play with, including an indoor climbing structure.

During the compliance visit Sarah was caring for six children. The children were observed playing with tractor. Sarah was able to firmly redirect the children when needed but was also very loving and spent time explaining and offering choices. Sarah was also doing diaper changes on all of the children, washing hands in between each one.

Sarah participates in the food program.

Sarah has a unique code for each parent to enter her home.

3. Identify The Aspects That Fall Below The Standard

110.8 (4) b : Procedures are in place for: Evacuation to safely leave the facility, Relocation to a common, safe location after evacuation, Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue, Lock down to protect children and providers from an external situation, Communication and reunification with families ,Continuity of operations, and Procedures to address the needs of individual children, including those with functional or access needs.
