Carlos Rodriguez is a CDH Category C2 provider, living in Des Moines. He has been a registered daycare provider since 2025. Carlos has an approved co-provider (Giselle Rodriguez) and he has one approved child care assistant. Carlos lives in a split level house and uses both the main floor and the basement. The basement has an egress window with permanent steps.

2. Identify Observed Strengths Of The Program

1. All household members need updated physicals. Family members over the age of 18 years old need physicals completed on the state required form and updated every 3 years.
2. Please make a file for assistant. This needs to include their mandatory reporter training and a physical completed on the state required form.
3. Please review all child files. Updated physicals need obtained every year.
