1. Basic Overview

Tamora has been a registered child care provider with the state of Iowa since 2025. Tamora accepts children aged infant through school aged and is available for first shift care seven days a week. Tamora currently does provide care a few days a week until early evening. Tamora accepts children who receive CCA funding for child care. Tamora also accepts private pay individuals. Tamora describes her child development home as a fun and safe learning environment for children.

2. Identify Observed Strengths Of The Program

Tamora believes her greatest strength in working with children is that she places a high priority on maintaining safety within her home to ensure children are safe at all times. Tamora stated that she takes pride in running a respectful business where she works hard to ensure kids in her care are happy. Tamora communicates well with parents of children in care. Tamora is

a participant in the CACFP food program for child care providers. Tamora is aware of supportive resources such as Child Care Resources and Referral and accesses them when/if needed.

3. Identify The Aspects That Fall Below The Standard

Emergency numbers posted for police, fire, ambulance, and poison information center.
Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
Each smoke detector is tested monthly, and a record is kept for inspection purposes.
110.8 (1) p : The provider has written policies about caring for mildly ill children and the exclusion of children due to illness, and informs parents of policies.
110.8 (1) q : The provider has written policies about responding to health-related emergencies.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Within six months of becoming registered, children 18 years of age or younger residing in the household must have:Admission physical exam report.Immunization certificate.For school age: Documentation of physical exam completed at time of school enrollment or since that time.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) h : Written emergency plans for children with allergies. Must accompany child if away from facility.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Tamora needs to post emergency numbers for police, fire, ambulance and poison information as well as emergency contact's for children including parent, emergency contact, and child's physician.
Tamora needs to resume monthly smoke detector and fire/tornado drills and maintain written documentation of drills.
Tamora needs to locate her illness policy as well as her health-related emergency policy.
Tamora needs a physical documented on form 470-5152, Provider Physical Examination Report. Tamora's children all need physical exam reports and immunization certificates (Kali, Kaleb, Karter, and Storm).
Tamora is working on getting her child files completed. Tamora needs to ensure that all enrolled children have enrollment forms (intake, emergency medical treatment authorization form, consent/release form, physical and immunization certificate).

Tamora needs to send verification of the above items to Kathy by 8/31/2026. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

CHILD CARE ANNUAL EVALUATION

5. Special Notes/recommendations

Targeted case compliance of Emergency Preparedness Plan completed. Plan remains up to date and accurate.

HHS Child Development
Home Compliance Worker: Kathy Huinker Date: 7/15/2026

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area.
