CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Dina Enderton has been a registered provider since May of 2009. Dina is currently a category "B" Child Development Home Provider. This category allows her to have 8 preschool children with an additional 4 school aged children at one time for a total of 12 children in care for up to 2 hours. If there are more than 8 children in care for over 2 hours a DHHS approved assistant needs to be present. Dina does not have an assistant or substitute for her program at this time. There are 2 pet dogs in the home. Dina does not provide transportation for families in her care. Dina is available to provide care Monday through Friday from 6:30am to 5pm.

2. Identify Observed Strengths Of The Program

Dina Enderton is an experienced provider. Dina's care area is on the main floor of the home. Dina has spaces dedicated to childcare. The spaces have children's furniture, toys, books, and materials for arts/crafts. There is an area outside the children can access when weather allows. The children have access to toys and activities that encourage small and large motor development. Dina is current with her required trainings as reviewed by the Registration Unit. Dina has completed Safe Sleep training, and this worker has reviewed the policy with her. Dina implements the practice when she has children 12 months or younger in her care. Dina uses redirection as her primary behavioral intervention when needed. Corporal punishment is not practiced in the Child Development Home. Dina's provider file and individual child files are complete, organized, and easily accessible.

3. Identify The Aspects That Fall Below The Standard

Dina met all requirements for the yearly compliance check.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.

5. Special Notes/recommendations

I encourage you to work with your Child Care Resource and Referral Worker (Traci Honold 515-802-8163) with any compliance or training efforts.

The Emergency Preparedness Plan meets Targeted Expectations.
