CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Jennifer Wiley on 9/1/2026. Jennifer has been involved in child care for 28 years. She continues using the main floor only of her 2 story home. Jennifer's primary space is the open living room/dining room/kitchen/family room. There is a lot of space for kids. Jennifer had 8 children present during the time of our visit and has 9 total at this time. Several of the children are part time. She has one HHS-approved assistant and no substitutes. Jennifer uses her open back yard for an outside play area. She has one dog and has a current vet statement on file. She is due to renew her registration effective 12/31/2026.

2. Identify Observed Strengths Of The Program

Jennifer has many years of experience in child care and offers lots of space for the children to play with a very open home design. She describes her strengths as "trying to establish and environment the kids really enjoy." The kids enjoy how Jennifer actively participates in the activities, games, and outdoor sports with the children. He curriculum is mostly free play mixed with lots of music, dancing, and regular arts/crafts/coloring. She also offers numerous learning activities every week. The kids have regular outside time as weather allows. Jennifer participates in the Food Program to enhance the nutrition of her snacks and meals.

3. Identify The Aspects That Fall Below The Standard

Jennifer was in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Jennifer was in compliance having a plan consistent with her current operation.

I encourage Jennifer to work with Teri Orr from Child Care Resource and Referral with any ongoing compliance or training needs.

Jennifer had one infant under 12 months of age in care during our visit who was awake. We reviewed safe infant sleeping policies.
