CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Lauri has been providing child care for over 40 years now. Lauri has been a provider in the state of Iowa for the last approximately 9 years. Lauri is a category C home with a co-provider and a full set of approved assistants and substitutes. Lauri provides a full preschool program, offering children kindergarten readiness activities. There are many centers available that provide a wide range of activities for children, including both small and large motor skills. Lauri has a 'theme' each month that ties their activities and food together. Currently, they are in the middle of their 'Food and Fitness' program.

2. Identify Observed Strengths Of The Program

Lauri believes her greatest strength in working with children is her attention to and awareness of the individual needs of each child enrolled. They advocate for children, suggesting resources or interventions as necessary. Lauri has a beautiful outdoor play area that has recently been transformed into a natural playscape environment for children. Lauri is rated IQ4K level 4. Lauri participates in the food program for child care homes and also utilizes one of the child care management systems. Lauri is organized and maintains necessary compliance paperwork so it is easy to locate.

3. Identify The Aspects That Fall Below The Standard
