1. Basic Overview

Rebecca Collier had been a registered provider since August of 2018. Rebecca is currently a category "B" Child Development Home Provider. Rebecca is allowed to have 8 preschool children with an additional 4 school aged children for up to 2 hours at once. If Rebecca has more than 8 children in care for more than 2 hours she must have a DHHS approved assistant present. Rebecca does not provide transportation for families in her care. Rebecca has 1 pet dog and 2 pet cats in the home. Rebecca is available for care Monday through Friday 7am to 4:30pm and on Saturday and Sunday she is available 24 hours a day. Rebecca is currently renewing her registration.

2. Identify Observed Strengths Of The Program

Rebecca is an experienced childcare provider. Rebecca is a participant with IQ4K on level 4. Rebecca's care areas in the

home are appropriate for childcare. The downstairs area has an egress window with steps. Rebecca's care areas are furnished with childcare furniture, toys, and equipment. There is a backyard area the children can play in when the weather allows. Rebecca is current with her required trainings as reviewed by the Registration Unit. Rebecca has completed Safe Sleep training and implements the practice when she has children 12 months or younger in her care. Rebecca uses processing choices, redirection, and a quiet space for her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Rebecca participates with the Food Program, children in her care receive regular meals and snacks as appropriate. Rebecca's provider files and individual child files are complete, organized, and easily accessible.

3. Identify The Aspects That Fall Below The Standard

110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.

1. The Emergency Preparedness plan needs to be updated. This worker emailed a blank fillable template to use.

Have procedures in place for the following:
