I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Metro Kids - Capitol View has been in operation since 1987. The center provides child care services for children that attend this school. This summer, the center is providing programming for children that attend this school and children that attend near by schools. The school has secured entrances. The center uses the school's gym and cafeteria. The outdoor playground is used by the center. Megan Garza is the on site supervisor. Megan has been employed with Metro Kids since 2021.

An unannounced visit was completed on today's date. All areas subject to DHHS licensing rules were reviewed. Mandatory postings are in place at the entrance. The summer schedule and lesson plan was available. A monthly newsletter was also posted.

An unannounced visit was completed. Megan was present and she assisted with today's visit. Ten staff were working today. Thirty children were present at the time of the visit. In addition to the gym and cafeteria, three classrooms are used for programming. Children are divided up into three smaller groups: Kindergarten and 1st grade, 2nd and 3rd grade, and 4th and 5th grade. During today's visit, children were observed in the gym and cafeteria. Children were observed during lunch time and child directed play activities.

School staff maintain the playground. The center completes monthly playground checks.

The center provides snack during regular programming and during breaks.. During summer programming, the school is a site for free breakfast and lunch through Des Moines Public Schools. The storage of the snacks is sufficient. Menus reflect snacks meet CACFP requirements.

Metro Kids Programs use Des Moines School buses for transportation for field trips.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

The center participates in QRS and has a five star rating. The center has a nice amount of play and learning materials for children's use. Children are offered large motor play activities daily through the use of the gym and playground.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

109.7(1): All staff(within first 3 months of employment)Two hours of approved training FOR the mandatory reporting of

child abuse.At least one hour of training regarding universal precautions and infectious disease control.Certification in American Red Cross, American Heart Association, American Safety and Health institute or MEDIC First Aid infant, child, and adult cardiopulmonary resuscitation (CPR) OR equivalent certification approved by the department. A valid certificate indicating the date of training and expiration date shall be maintained.Certification in infant, child, and adult first aid that uses a nationally recognized curriculum or is received from a nationally recognized training organization including the American Red Cross,American Heart Association, American Safety and Health Institute or MEDIC First Aid or an equivalent certification approved by the department.A valid certificate indicating the date of training and expiration date shall be maintained.Minimum health and safety trainings, approved by the Department. If significant changes occur to content, the Department may require the training be renewed.
One staff hasn't completed Essentials training.

V. SPECIAL NOTES/RECOMMENDATIONS:

The center has a full license.
