I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Shining Stars Child Development Center II opened on September 2005. The center provides child care services for children ages infancy through school age. The center is located in a single standing building. There is a secured entrance. Amanda Doyle is the director and co-owner. Dianna Marquardt is the other owner of the center. She is the director of Shining Stars Child Development Center I. Randi Naeve is the director. Randi has been the director since January 2021. Randi was employed at the center prior to being director. Kyla McDonald is the on site supervisor.

An unannounced visit was completed today. All areas subject to HHS licensing were reviewed. Mandatory postings are in place at the center's entrance. Classrooms are well furnished with age appropriate furnishings, toys and learning supplies. Labeled interest centers are in the classrooms for children starting in the walkers classroom. The classrooms' schedules and lesson plans are posted by the classrooms' doors. The center has a lot of children's artwork displayed in hallways and classrooms.

Randi was present and she assisted with today's visit. The infants classroom had twelve children present. Three staff were working in this classroom. The second infant classroom had eight children present. Two staff were working in this room. The walkers (18 month olds to 2 year olds) had eleven children in attendance. Three staff working today with this group. The 2's classroom had four children in attendance. One staff was working with this class. The older 2's class had thirteen children present. Two staff working with this group. The 3/4's class had twenty four children present. There were two staff working this class. There was a third staff coming in to assist at times during the visit. The 4/5's class twenty one children in attendance. There were two staff working in this classroom. The school age classroom wasn't in operation during the visit. Children were observed during child directed play activities and during staff assisted activities. Children were dancing to music. Lunch was observed in a some classes. Children were observed watching videos in some classrooms. Randi stated screen time is supposed to be very limited daily.

The center gets meals from Shining Stars Child Development Center I. The center prepares their own snacks. The center participates with the federal food program. Breakfast, morning snack, lunch and afternoon snack are served. Menus are on a four week rotation. Lunch served today was chicken nuggets, carrots and peaches.

The center has three playgrounds. There is a playground for toddlers, for children ages 2's - 3's, and 4's and up. The playgrounds have rubber tile for surfacing, grass and concrete. There are some climbing structures, riding toys and many outdoor play toys. The center has completed playground checks monthly.

The center owns a few vans, which are used for transportation.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

This center participates in IQ4K. The center has a four star rating. The center has a few playground areas, separated by age groups. The center has a video security system in place that observes all classrooms and the playgrounds.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

109.10(3)a: All medications shall be stored in original containers with physician or pharmacist directions. Labels should be intact and stored so they are inaccessible to children and public. Nonprescription medications shall be labeled with the child's name.
One child's file has an allergy/action plan dated 2022. These need to be updated when new medication is brought by the parents.

V. SPECIAL NOTES/RECOMMENDATIONS:

The center has a full license.
