12/11/2023

Caroline Druilhet
3800 Fieldcrest DR
Sioux City, IA 51103

Dear Child Care Provider:

This letter is in regards to the pre-inspection visit at your Registered Child Development Home B conducted on 12/07/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"a" The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(1)"d" Approved safety gates at stairways and doors shall be provided and used as needed.

441 IAC 110.8(1)"h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(1)"i" Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported.
Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home's hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children.
All signs shall include:

1. The telephone number for reporting complaints, and
2. The Internet address of the department of public health (www.iowasmokefreeair.gov)

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)"b" A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive

bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)" a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

Findings:

441 IAC 110.8(1)“a” The home shall have a non pay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information.
- Emergency numbers need to be posted.

441 IAC 110.8(1)“d” Approved safety gates at stairways and doors shall be provided and used as needed.
- Safety gate needs to be installed.

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
- A smoke detector is needed at the top of the stairs.

441 IAC 110.8(1)“i” Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported.
Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home’s hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children.
All signs shall include:
The telephone number for reporting complaints, and
The Internet address of the department of public health (www.iowasmokefreeair.gov)
-No smoking signs needed posted at every entrance of the child care home.

441 IAC 110.8(3)“b” A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.
- The tweezers were missing

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.
-The emergency plans need posted.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:
evacuation to safely leave the facility
relocation to a common, safe location after the evacuation
shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
lock down protocol to protect children and providers from an external situation
communication plan and plans for reunification with families
continuity of operations plans
Procedures to address the needs of individual children, including those with functional or access needs
-Provider needs emergency disaster plan

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”
- Provider and husband need physicals

Suggestions/Recommendations:

Caroline needs to post emergency numbers
Caroline will purchase a safety gate for the stairs
Caroline will install a smoke detector at the top of the stairs
Caroline will post non smoking signs at every entrance
Caroline will purchase disposable tweezers
Caroline will post emergency plans
Caroline needs to make an emergency disaster plan
Caroline and her husband will obtain physicals

Corrective Action Required:

As discussed, your registration will be approved once I have received the above missing items. Please send me the missing items by 12/30/23.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-380-3648/Saunspa@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Sheila Aunspach
