Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 02/13/2018. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(4) Emergency Plans

- 441 IAC 110.8(4) "b" The provider must have procedures in place for the following:
1. evacuation to safely leave the facility
 2. relocation to a common, safe location after the evacuation
 3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
 4. lock down protocol to protect children and providers from an external situation
 5. communication plan and plans for reunification with families
 6. continuity of operations plans
 7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

- 441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:
- a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
 - b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
 - c. A signed medical consent from the parent authorizing emergency treatment.
 - d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
 2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
 3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
 4. The examination report or statement of health status shall be on file before the

child's first day of care

- e. A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
- f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
- g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
- h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
- i. A list that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
- j. Written permission from the parent for the child to attend activities away from the child development home. The permission shall include:
 - 1. Times of departure and arrival.
 - 2. Destination.
 - 3. Persons who will be responsible for the child
- k. Injury report forms documenting injuries requiring first aid or medical care
- l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

1. Provider needs to complete the emergency preparedness plan.
2. Children's files- it should be noted that the provider was on caring for 2 children on 2/13/18-
 - Two children (initials ET and BF) need updated physicals
 - Two children (initials ET and BR) need updated immunizations

Suggestions for Improvement:

Recommendation:

[] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will not be required to have a recheck or follow up visit to your home. No further action is required.

Please do not hesitate to contact me at DHS at 319-892-6857/ jsteven@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Jami Stevens
