FINDING(S):
On 2/1/2024 this worker completed an unannounced visit to Ms. Page's registered childcare home. Ms. Page allowed entrance to discuss the complaint. Two children were present during this visit, ages 4 years old and 3 years old. Ms. Page offers 24 hour care. We reviewed Ms. Page's daycare shifts, what hours she watches which children. Ms. Page states she never watches more then 6 children at one time. I reviewed with her that she can have an additional 2 school aged children. We spoke about the cars parked at Ms. Pages house. These cars are not parked in the yard, but on a cement slab. Ms. Page explained that the neighbor across the street is not willing to leave space for her to park on the street. Ms. Page plans to move any cars to the back of the house, to allow parents to drop off and pick up children without needing to park in the yard or street.
