1. Basic Overview

Erickah has been a registered child care provider with the state of Iowa for 3 1/2 years. Erickah prefers children ages two and up, however, will consider all ages. Erickah currently provides child care first and third shifts, which allows her to have time for her own children and their respective activities. Erickah is open for child care Monday through Friday. Erickah is hoping to find a new location for her child development home in the coming year.

2. Identify Observed Strengths Of The Program

Erickah maintains her required paperwork in an organized manner making it easy to locate needed items for compliance. Erickah is also organized within the home setting, including the children's toys and activities. Erickah believes her greatest

strengths include having a lot of patience with the children she care for and maintaining consistency in their day to day activities and schedule. Erickah communicates well with parents of children and works as a team with them when establishing boundaries and follow through for children's behaviors. Erickah states most of the kids in her care currently started as infants and therefore are growing up together. This demonstrates the stability of families using Erickah for child care.

3. Identify The Aspects That Fall Below The Standard

110.8(1)h. Each smoke detector is tested monthly, and a record is kept for inspection purposes.
110.8(4)a. Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.

Erickah could not locate her 2025 drills. Erickah will resume 2025 drills.

110.8 (2) a : A safe outdoor play area is maintained in good condition throughout the year.
Erickah has a cable wire hanging in her back yard and piled on the ground. Erickah needs to have this removed and/or secured from access since the children would play in this area. Erickah reports they have not been playing in the backyard lately and would continue to play in the front until someone comes to remove the wires.

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Erickah has a current physical however it is not documented on the required HHS form.

110.9(2) : An individual file is maintained for each staff assistant:
110.9 (2) a : Documentation from the Department confirming record checks have been completed and authorizing or limiting the person’s involvement with child care.
110.9 (2) b : Within six months of approval, a Physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, which is repeated at least every three years.
110.9 (2) c : Certification of two hours of approved training relating to identification and reporting of child abuse within six months of employment.

Erickah could not locate Warnice's assistant file containing the above required information.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Erickah will send verification of the above items to Kathy by 10/6/2025. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

5. Special Notes/recommendations

Erickah continues to have goals for her child care including getting additional outdoor play equipment for children.
