CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Lauren has been providing childcare services in her community for over 7 years.

2. Identify Observed Strengths Of The Program

Lauren has converted an older home for her childcare program. She has stations set up in the main play area for children to see the different options of activities that they can do while in care.

3. Identify The Aspects That Fall Below The Standard

110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.

**The provider had questions regarding the emergency preparedness plan. Compliance staff inadvertently sent suggestions to an incorrect email address. The provider did start filling out her ideas and action steps for the plan. The provider will send a copy of the completed plan to compliance staff.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

Once the emergency preparedness plan is completed, please email or take pictures and text them to compliance staff. When this is received and complete, your childcare home business will be able to be approved.

6. ADDENDUMS:

- Addendum1: The provider submitted her Emergency Preparedness plan for the childcare home and is now approved.

This Addendum is approved by supervisor on 9/19/2025
