Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(1)"n"	Providers shall inform parents of the presence of any pet in the home. **1.** Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds. **3.** Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank. **4.** All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste. **5.** No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)"b" A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. Suggestions/Recommendations:

All electrical outlets need to be covered with safety plugs.

Smoke detectors need to be installed in each room children occupy. Smoke detectors need to be tested and documented on a monthly basis.

A DHHS Pet Form needs to be completed by a Vet for pets in the home. I left a form for you to use.

A complete first aid kit needs to be readily available for use.

A current DHHS Medical Physical Form needs to be completed by a medical professional and in your provider file.

Your Mandatory Reporting Certificate will expire after the month of July 2023 and will need to be renewed.

Corrective Action Required:

A re-check is not needed at this time. The corrections need to be completed by 9/27/2023 and will be checked on your next annual compliance check.

I encourage you to work with Kelsey Finke with Child Care Resource and Referral with any ongoing compliance or training efforts.

Kelsey can be reached at 515-246-3567.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaringd@dhs.state.ia.us if you have any questions regarding this letter.
