Dear Child Care Provider:

This letter is in regards to the follow up at your residence in which you are seeking child development home registration conducted on 12/21/2022. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7	**Provider Requirements**
441 IAC 110.8	Standards. Conditions in the home are safe, sanitary, and free of hazards.
441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"a"	The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information
441 IAC 110.8(1)"f"	A safety barrier shall surround any heating stove or heating element, in order to prevent burns.
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(1)"i"	Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported. Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home's hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children. All signs shall include: **1.** The telephone number for reporting complaints, and **2.** The Internet address of the department of public health (www.iowasmokefreeair.gov)
441 IAC 110.8(1)"n"	Providers shall inform parents of the presence of any pet in the home. **1.** Each dog or cat in the household shall undergo an annual health examination by a

licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).

2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.

3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.

4. All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.

5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility

2. relocation to a common, safe location after the evacuation

3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue

4. lock down protocol to protect children and providers from an external situation

5. communication plan and plans for reunification with families

6. continuity of operations plans

7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)" b" (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

On 12/21/22 Chad Reckling, SW II conducted a follow up visit to the childcare home. The following was observed:

Lavaysha will post her emergency contact numbers for police, fire, ambulance and poison control and update her emergency contact numbers for her daycare parents. This was observed to be completed.

Lavaysha needs to install a child safety gate between her play room and kitchen area. This was observed to be completed.

Lavaysha needs to install a smoke detector at the top of her basement stairs, front living room, and rear play room area. This was observed to be completed.

Lavaysha needs to place an Iowa Smoke Free Air Act compliant no-smoking sign next to her rear door. This was observed to be completed.

Lavaysha needs to move her reptile aquariums upstairs and away from the childcare area. This was observed to be completed.

Lavaysha needs to move her emergency plans for fire and tornado closer to her rear exit. This was observed to be completed.

Lavaysha needs to show routes for fire and tornado clearly on her emergency plans that are already posted. This was observed to be completed.

Lavaysha needs to update her face sheet of her Emergency Preparedness Plan and add the following to her Lockdown section: "Will not allow anyone to leave or come into her childcare home until the all clear is given by either law enforcement or the provider." This was observed to be completed.

Lavaysha needs to show documentation of current course completion for Mandatory Reporter Training for Child Abuse for herself. This was observed to be completed.
