CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Macy Wagner is a CDH Category B provider, living in Ankeny. She has been a registered daycare provider since 2024. Macy has an approved substitute assistant. Macy lives in a 2 story house but only uses the main floor for her child care operation. Macy has 2 dogs and 2 cats.

2. Identify Observed Strengths Of The Program

Macy was able to locate trainings for me and provide care all of the daycare children. Macy stated the children do arts and crafts along with nature activities. Macy has a large fenced in backyard. Macy and the daycare children also take walks in the neighborhood. She uses "take a break" for discipline. Macy and her husband are also becoming foster parents. Macy has completed all of the training to be a category C1 child care provider.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Please obtain updated vet statements for all household animals. Vet statements need updated yearly.

5. Special Notes/recommendations

I encourage you to continue working with Katie from Child Care Resource and Referral for any ongoing compliance or training needs.
